

Elevate Oklahoma

2025-26 Grades 11 & 12 Curriculum

Please confirm with our Executive Director that we have the correct information for your student's transcript and that everything is in alignment to meet their specific graduation criteria for their graduating year in Oklahoma. Additionally, please keep us informed if your student is concurrently enrolled with Tulsa Tech, Tulsa Community College, or any other such programs.

Art, Bible, Music, PE, Science, Writing, Finance, Oklahoma History, and Typing will have resources and administrative expenses as teachers will supply necessary curriculum during class time. The total cost for this is \$75. Please make it payable to Elevate Oklahoma.

Parents might want to buy teacher's editions of the curriculum to assist with grading. We have a great resource page that we hope you will take advantage of on our website. Visit search "Branching Bootcamp" or visit this link: <https://www.elevateok.org/840-2/>
