

Please confirm with our Executive Director that we have the correct information for your student’s transcript and that everything is in alignment to meet their specific graduation criteria.

Additionally, please keep us informed if your student is concurrently enrolled.

Art, Bible, Music, PE, Science, Grammar, Writing, Finance, Oklahoma History, and Typing will have resources and administrative expenses as teachers will supply necessary curriculum during class time. The total cost for this is \$105. Please make it payable to Elevate Oklahoma.

Parents might want to buy teacher’s editions of the curriculum to assist with grading.

## Literature\*\*

Silas Marner - George Eliot

The Rise of Silas Lapham - William Dean Howells

The Travels of a T-Shirt in the Global Economy - Pietra Rivoli

Mover of Men and Mountains - R.G. LeTourneau

\*\*The literature books do not need to be purchased. You may prefer to rent, borrow or check out from the public library. It is required reading to be completed in units throughout the year. Please exercise precaution - if you purchase a literature book from another source than Notgrass, please know that it will be different than the version used in class. The Notgrass versions are edited to weed out inappropriate words (ie. racial slurs/foul language). We cannot guarantee that a different copy is up to such standards. Consequently, it will be harder to determine the correct pages to follow along with the assignments and it is likely necessary for you to read with your student(s) to address/handle such potential terms.

We have also added these 3 books not found on the Notgrass site:

Career Planning for Christian Teens: A Faith-Based, Practical, Step-by-Step Guide to Identifying, Pursuing, and Thriving in Your Job - Blessing Okechukwu Ezema
