Literature**

The Fables of Aesop

The Bronze Bow - Elizabeth George Speare

A Single Shard - Linda Sue Park

Otto of the Silver Hand - Howard Pyle

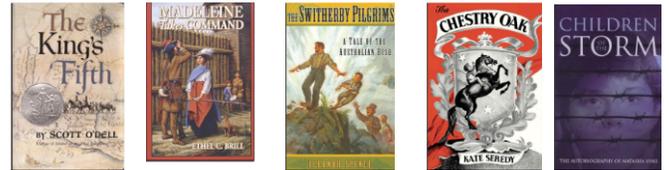

The King's Fifth - Scott O'Dell

Madeleine Takes Command - Ethel Brill

Switherby Pilgrims - Eleanor Spence

The Chestry Oak - Kate Seredy

Children of the Storm - Natasha Vins

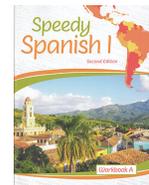

**This is a reduced list from what is typically featured. The literature books do not necessarily need to be purchased. You may prefer to rent, borrow or check out from the public library. It is required reading though to be completed in units throughout the year. Please exercise precaution - if you purchase a literature book from another source than Notgrass, please know that it will be different than the version used in class. The Notgrass versions are edited to weed out inappropriate words (ie. racial slurs/foul language). We cannot guarantee that a different copy is up to such standards. Consequently, it will be harder to determine the correct pages to follow along with the assignments and it is likely necessary for you to read with your student(s) to address/handle such potential terms.
