Blood Brothers - Elias Chacour & David Hazard

A Long Walk to Water - Linda Sue Park

The Day the World Stopped Turning - Michael Morpurgo

Kidnapped - Robert Louis Stevenson

Lost in the Barrens - Farley Mowat

Boys Without Names - Kashmira Sheth

Revolution Is Not a Dinner Party - Ying Chang Compestine

Ann Judson: A Missionary Life for Burma - Sharon James

Tales from Silver Lands - Charles J. Finger

**This is a reduced list from what is typically featured. The literature books do not necessarily need to be purchased. You may prefer to rent, borrow or check out from the public library. It is required reading though to be completed in units throughout the year. Please exercise precaution - if you purchase a literature book from another source than Notgrass, please know that it will be different than the version used in class. The Notgrass versions are edited to weed out inappropriate words (ie. racial slurs/foul language). We cannot guarantee that a different copy is up to such standards. Consequently, it will be harder to determine the correct pages to follow along with the assignments and it is likely necessary for you to read with your student(s) to address/handle such potential terms.

We have also added these 2 books not found on the Notgrass site:

Johnny Tremain by Esther Forbes

Through Gates of Splendor by Elisabeth Eliot
